Before the totalitarian reign of Mao Zedong and his immediate successors, never in human history had an entire nation been under such intense surveillance. The Chinese not only had to speak alike; they had to think alike. Traveling to China regularly since 1967, and spending all of 2005 and 2006 there, Guy Sorman saw it all, and in this jaw-dropping book, he documents the horrifying stories of China through the 21st century. He shows how the Party's primary concern is not improving the lives of the downtrodden; it seeks power more than it seeks social development. It expends extraordinary energy in suppressing Chinese freedoms-the media operate under suffocating censorship, and political opposition can result in expulsion or prison-even as it tries to seduce the West, which has conferred greater legitimacy on it than do the Chinese themselves.

评论

记者笔法，缺乏深入分析和独到见地，真是白白浪费好题目

我看得是中文版，尽管作者说的部分是事实，但整本书的口吻似乎都在带着偏见地直接给出结论，而详细的数据支持似乎没有，没有言论限制不应该做不到举证，找几个人访谈似乎也不是严谨的做法。只能当作是从多角度看中国的其中一份参考。另外说一句，中文版封面实在太恶心了。
