Tyrannosore-arse Rex versus Tricerabutt: Who kicked more butt?

Stenchtiles and Farthropods: Which smelled most foul?

Exstinktion: How did the buttosaurus get wiped?

This book will tell you everything you need to know but were too grossed out to ask about prehistoric butt-related life forms and the complex stenchoLOGY of their environment. Never again will you look like a fool when somebody asks, "What buttosaur is that?"

A must-have for every kid with a butt!
