Hi-ho...hi-ho...it's off to work they go! Children can strap on the denim tool belt apron with adjustable waist and carry the 4 quality plastic tools (hammer, saw, screwdriver, pliers) around in its two deep pockets. Or, they can lug the tools around in one of the two compartments of this brightly colored tool box. The second compartment holds four board books - each die-cut in the shape of one of the tools. Amusing illustrations and verse depict each tool as a character, describing what it does and how it works. Four 10-page board books, four tools & tool belt apron in sturdy tool box. Plastic-wrapped. Age 3+
