A showcase of photographs taken in Venice during Carnival by English-born photographer Michael Lucas.

作者介绍:

Micheal Lucas was born in Surrey, England in 1948. He studied engineering at London polytechnic college and in 1986 moved to San Francisco where he found his own firm. In the mean time, he has pursued his passion for photography, being active in several photographic clubs, and also the Audubon society. Working mostly in the landscape genre, his pictures are highly sought-after by photo agencies.
