This exciting new workbook series from Sesame Workshop and Learning Horizons is designed so your child can have fun learning right along with Cookie Monster, the Count, Elmo, Big Bird and more of their favorite friends from Sesame Street!

In this workbook, your child will learn to identify and match colors. He or she will also get lots of practice reading and writing color words, and exploring color patterns. A special “Explore More” feature provides several easy-to-do home activities to extend learning in practical ways.
