Come on in the water’ s lovely...

Ibiza: paradise for the clubbers, hedonists and sun-seekers, but for Honey Ballantyne it is the only home she has ever known. With the responsibility of running a hotel on her shoulders and two hippy-dippy parents whose idea of a hard day’ s work is a yoga class without their clothes on. Honey feels trapped. When her first love, Edouard, returns to the island from London and truths about her parents start to unravel. Honey is forced to realize that before she can make decisions about her future she must reconcile herself with the past...
