These engaging wipe-off workbooks from Sesame Street and Learning Horizons are designed so your child can have fun learning and creating right along with Elmo and Zoe and all the other Sesame Street friends. Colorful, coated activity pages allow children to write on the pages with a water-based marker or crayon and wipe them off with a tissue or cloth for countless hours of winter-themed fun.

Join Elmo and a cast of favorite Sesame Street friends in exploring the many ways to enjoy winter! With activities such as letter, number and shape hunts, mazes, dot-to-dots, sequencing, patterning, and coloring and drawing fun, Elmo shows just how great winter can be! A special Explore More feature provides several easy-to-do home activities to extend the holiday learning fun!
