著者:ACA Publishing Limited

出版者:ACA Publishing Limited

出版时间:2008-2-7

装帧:Paperback

isbn:9780955585418

The China Business Handbook contains a comprehensive guide to every region of

China - from the thriving coastal cities to the up-and-coming inland regions. This edition provides essential economic information about each province, supplemented by up-to-date maps, charts and tables. The book also provides an overview of the practical issues involved in living and working in China. Contact details are included for the principal ministries, foreign embassies and consulates, as well as key business and service companies.
