著者:Ian Brookes

出版者:Chambers

出版时间:2003-08-04

装帧:Hardcover

isbn:9780550100139

This edition of the "Chambers Dictionary" combines the long-established virtues of its predecessors with a modern design and updated content. It offers coverage of English vocabulary, ranging from rare and archaic words to the latest slang and technical terms, and contains appendices with information from chemical elements to first names, and the plays of Shakespeare to the Greek and Hebrew alphabets.
