These engaging wipe-off workbooks from Sesame Workshop and Learning Horizons are designed so your child can have fun learning right along with Cookie Monster, The Count, Elmo, Big Bird, and the rest of the Sesame Street gang. Colorful, coated activity

pages allow children to write on with a water based marker or crayon and wipe off with a tissue or cloth for countless hours of fun while practicing beginning math and literary skills.

In this book, your child will join a cast of favorite Sesame Street friends in learning all about letter sounds. They will learn initial sounds and the uppercase and lowercase letters that stand for those sounds. Your child will also get plenty of practice discriminating and matching sounds at the beginning of picture names and words. A special “Explore More” feature provides several easy-to-do family activities to extend learning in practical ways.
