Hey look! Is that really a camel or just a mirage? When Sam wanders away from camp, he finds himself lost in the desert with no hat and no water. He's going to need a photographic memory to find his way back to his family. Lucky for Sam, he's got a brand new digital camera...

This Irish legend tells the tale of a handsome young prince and his beautiful mermaid bride. Taken from the sea, the mermaid agrees to marry the prince and together they raise seven fair children. But eventually the day comes when the mermaid must return to the sea. Will the prince lose his family forever?

It's the year 2165. Six years ago, the sea flooded the valley where Dana lived with her parents and their old dog, Silas. Dana's father died, trying to fight the floods, and a giant seawall was built to hold back the powerful water. But what happens when

Dana discovers a break in the wall? Will help arrive in time?

Phan and her family must leave their home to travel to a new country. Phan records the trip in her diary. The journey on the Freedom Boat is long and frightening, but Phan is brave. She helps to look after her family, and she never gives up hope that one day they will reach safety.

Imagine watching a ship being built right outside your window. First, a shed is built to house the ship, next the materials arrive, and then the shipbuilders get to work.
