出版者:Lonely Planet

出版时间:2008-3-21

装帧:Paperback

isbn:9781740591867

Agglutination, vowel harmony - you may not know what they mean, but this nifty little guide to Mongol will get you well on the way to mastering how they sound. You want your mare's milk warmed? You got it.

two-way dictionary

guide to pronunciation and phrase-building

practicalities - how to hire a horse, how to pronounce 'Call off the dogs!'

script in Mongolian Cyrillic - if in doubt, just point
