

The Old English Exodus

[The Old English Exodus_下载链接1_](#)

著者:Text, Translation, and Commentary by J.R.R.Tolkien

出版者:Clarendon Press, Oxford

出版时间:1981

装帧:精装

isbn:9780198111771

"Based largely on Tolkien's notes on the lectures he delivered on this piece of Old English poetry whilst a professor at Oxford, this volume serves as Tolkien's personal interpretation of the poem, and was never meant by him to be published. Includes Tolkien's English translation, accompanied by the transcribed Old English original, as well as his commentary essay."
