出版时间:2007-8-14

装帧:Paperback

isbn:9780802825872

This book contains an introduction by James H. Charlesworth. A modern scholarly classic now updated, "The Sage of Galilee" offers a thorough look at the historical sources regarding life in the first century through the Dead Sea Scrolls, recent archaeological discoveries, and other means of inquiry. Both Jewish and Christian readers will find challenge and new understanding in this work.
