isbn:9780192854520

By his writings, the surviving bulk of which exceeds that of any other ancient author, Augustine came to influence not only his contemporaries, but also the West since his time. This Very Short Introduction traces the development of Augustine's thought, discussing his reaction to the thinkers before him, and themes such as freedom, creation, and the trinity.

## 评论

清晰且較為全面的介紹。Chadwick翻譯的《懺悔錄》也非常不錯。
