The World's Coolest Hotel Rooms - the first in a series of the cool hunter-branded books has just been published by Harper Collins Publishers (US). Next in the line will be The World's Coolest Houses, The World's Most Creative Work Environments, The World's Most Innovate Retail Stores and The World's Most Creative Guerilla Campaigns in 2009. The World's Coolest Hotel Rooms has been designed by Sydney-based design studio, War Design.

Our new hotel booking service - Sleeping Around will also be launched at the end of June along with our online store, cStore - Shop Cool, Shop Global.
