After the overwhelming response from our first anthology, Wax Poetics has compiled the greatest hits from issues 6 through 10 in another collectible, hardbound edition. Wax Poetics Anthology 2 includes all your favorite stories from these early issues, and includes additional photos, illustrations, and album cover montages not included in the original editions.

Highlights

- Hip-Hop juggernauts Pete Rock, DJ Premier, and Dante Ross
- Thorough retrospectives of jazz giants Joe Zawinul, Eumir Deodato, and Sun Ra
- Disco architects Randy Muller and Pierre Jaubert

- Blaxploitation pioneer Melvin Van Peebles
- Southern soul heavyweights Eddie Bo and Willie Mitchell
- The premier of Dante Carfagna's LP oddity column, Left Field Americana
