著者:Jim Goad

出版者:Feral House

出版时间:2002-5-1

装帧:Paperback

isbn:9780922915774

Jim Goad's brief career as an underground celebrity has been studded with controversy, from an obscenity trial over a much-reviled "rape issue" of his magazine Answer Me, to a White House shooting in which the perpetrator quoted Goad's writing, to a two-and-a-half-year stint in prison for assault. Shit magnet is his manifesto, written while he was incarcerated.
