This new edition of *On Adam's House in Paradise* (first published by the Museum of Modern Art) incorporates all the original illustrations and several new ones, as well as additional text by the author. *On Adam's House in Paradise* "takes off backward through history hunting for Adam's house, the original image. En route, with wry wit and charm, Rykwert sings every generation of architectural theoreticians back to Vitruvius, but he manages to illuminate their efforts and their immolations."; Charles Moore, *Progressive Architecture*
