Emily has settled down to sleep with her beloved Cinnamon Bear when a silver moonbeam comes tapping at the window. When Emily grabs hold, she is suddenly whisked away across miles of night sky until she finds a little angel and a big surprise! Sparkly glitter makes the moonbeam shimmer throughout this enchanting bedtime tale.

作者介绍:

Elena Pasquali is also the author of Ituku's Christmas Journey.

Dubravka Kolanovic is the author and illustrator of numerous children's books, including the Albert and Amy series, The Nativity Story, Nose Knows, and the Snowglobes series.
