For some fifty years now, Arthur Miller has been not only America's premier playwright, but also one of our foremost public intellectuals and cultural critics. *Echoes Down the Corridor* gathers together a dazzling array of more than forty previously uncollected essays and works of reportage. Here is Arthur Miller, the brilliant social and political commentator-but here, too, Miller the private man behind the internationally renowned public figure. Witty and wise, rich in artistry and insight, *Echoes Down the Corridor* reaffirms Arthur Miller's standing as one of the greatest writers of our time.
