Darcy Wills needs help. A frightening ordeal at the end of the school year has turned her world upside down. And her parents, distracted by problems at home, don't seem to notice her troubles. With her ex-boyfriend miles away in Detroit and her beloved grandmother gone, Darcy is more alone than ever. Unable to deny the painful truth she's been hiding, Darcy turns to her remaining friends only to discover one of them has an even bigger secret. Now, forced into a crisis beyond her control, Darcy must take a stand for herself--and for her friend.
