Scholastic's award-winning reading program is newly packaged in three sturdy paper-over-board editions, each complete with an instructive CD.

These bind-ups pair a creative format with fantastic value to make the experience of beginning to read a rewarding journey for both parents and children.

Each artfully packaged bind-up includes four stories from Bob Books Set 1, a 20-minute instructional story CD, sturdy POB packaging with peek-through CD window, and an affordable \$6.99 cover price!

Bob Books were developed to provide structure and success for children learning to read, and encourage the joy of reading through simplicity, consistency, and warmth. These carefully graduated books introduce reading sounds logically and progressively. The success of Bob Books lies in the millions of proud new readers who have said, "I read the whole book!"
