One week until prom, and counting . . .

Jordan - I love my athletic, popular boyfriend. I do. But why is that mysterious new boy -- who happens to HATE prom -- making my heart flutter?

Tara- My nemesis on the prom committee is determined to bring me down. All I need to do is find the perfect gown that will make her green with envy. . .

Nisha - I can't believe my parents have picked a prom date out for me. What am I going to do if Brian, my REAL prom date, finds out?

Will everything come together in time for the big night?
