Robert Morte, writer of radio thrillers and detective novels, decided to take a sea voyage through the Barrier Reef islands to get away from fictional clues and crime. Alas for his hopes! Morte and his wife Jane encountered a cargo of mystery far stranger than any he could possibly conceive from his own fertile mind. Max Afford, well known for his radio plays and serials, has written a fast-moving, gripping and highly ingenious story set against the colorful background of North Queensland.

评论

Max Afford非系列作,阅读感要比那本《狼和羊》要好很多,尽管没啥大诡计,而且也是【一人被杀,众人有嫌,一番家访,疑犯全消】的写法,但人家就是能把故事写流畅了,能让读者愿意往下读。这就已经很了不起了。简介【http://www.douban.com/note/514233601/】
