"Late Night Lattes and Midnight Musings: A Dad Looks at Life" is a collection of 52 essays compiled from the weekly column, "For the Love of Community", that appears in "The Journal Standard", Freeport, Illinois every Thursday. These reflections on life, love, fatherhood and faith bring to light what it is like to be a father in the modern world. The author, Dr. Roland Tolliver and his wife have five children and his late night writings reflect his love of them and his hopes, dreams, and concerns for their future. He has found the world, while often in turmoil, offers a chance to find the good in our families, friends, communities and in ourselves.
