Readers will learn how to beautify their ceramic pieces by introducing color, texture, and pattern using a range of decorative techniques at various stages of the making process - at the wet, leatherhard and biscuit stages, as well as (exploring) multiple

firing and post-firing methods.

Designed to encourage both the novice and the experienced potter to explore new techniques and combine them in a fresh and creative way, this is the most visually comprehensive decoration book ever produced.

More than 70 techniques are described and clearly laid out with detailed step-by-step instructions. This is the book that will inspire all ceramists.

- More than 70 techniques for beautifying ceramic pieces
- More than 700 full-color photos illustrate the techniques
