“Stop ‘telling it like it is’ and start telling it like you want it to be!”

Total, permanent world peace: Can it be achieved? Should we even try?

Oh, to cruise the oceans of bliss . . . but you can't afford it?! Closing the gap between your now reality and your vibrational escrow.

Anchors of resistance: If you've got negative emotion and you ignore it . . . don't worry—something else will show up!

Proving you are “right” in court: Abraham talks about the true cost of litigation.

Land of the free? When our own government starts to tread on our fundamental freedoms, don't we have a responsibility to stand up for ourselves?

Oh my god what if my dog gets run over by a car or my house burns down while I'm gone? What to do when your vivid imagination runs wild with horrible thoughts! To do or not to do? What's the right mix between doing something and simply allowing thought-energy to flow?

Men and women—are there fundamental differences? It often seems as though she wants to settle down while he wants to be free. Are we—deep inside—different? She's ready—REALLY ready—for a baby: fertility specialists, acupuncturists, detoxing, organics, a healthy and prepared body . . . trusting, trying to feel positive . . . what to do when something you really, really want just ain't showin' up!

Take this job and . . . DO it! Dealing with a very bossy boss who says, “Do this thing, I'm pretty sure you don't want to do, and I don't want to hear any guff about it.”

And much, much more . . . answers and inspiration from the Non-Physical entity Abraham—whom Esther calls “infinite intelligence” and Jerry refers to as “the purest form of love I've ever encountered.”

作者介绍:

Excited about the clarity and practicality of the translated word from the Beings who call themselves Abraham, Esther and Jerry Hicks began disclosing their amazing Abraham experience to a handful of close business associates in 1986.

Recognizing the practical results being received by them and by those people who were asking meaningful questions regarding finances, bodily conditions, and relationships—and then successfully applying Abraham's answers to their own situations—Esther and Jerry made a deliberate decision to allow the Teachings of Abraham to become available to an ever-widening circle of seekers of answers to how to live a better life.

Abraham—a group of obviously evolved Non-Physical teachers—present their Broader Perspective through Esther. And as they speak to our level of comprehension through a series of loving, allowing, brilliant, yet comprehensively simple essays in print and in sound, they guide us to a clear Connection with our loving Inner Being and to uplifting self-empowerment from our Total Self.

Authors of *The Astonishing Power of Emotions*, *The Law of Attraction*, *The Amazing Power of Deliberate Intent*, and the upcoming *Money and the Law of Attraction*, Esther and Jerry have now published more than 700 Abraham-Hicks books, cassettes, CDs,

videos, and DVDs. They recently published two new DVDs with Hay House—The Teachings of Abraham™: The Masters Course Video and The Law of Attraction in Action DVD series. Their internationally acclaimed Website is: [www.abraham-hicks.com](http://www.abraham-hicks.com).
