The revised 3rd edition of this book is a must for teachers, nurses, social workers, childcare workers, law enforcement agencies, and all other mandated reporters of child abuse. Completely updated, this widely acclaimed practical reference helps mandated reporters fulfill their legal and ethical responsibility to report child abuse with a high level of confidence and effectiveness. Written by experts from multiple disciplines, the text incorporates proven approaches for distinguishing possible abuse from conditions that mimic abuse, conducting necessary interviews and examinations, documenting findings, and making appropriate referrals.
