Eco Dog -- If the family is eating organic foods, recycling, and steering clear of chemicals, why shouldn't it be the same for Fido? Eco Dog is a comprehensive guide to nontoxic and planet-friendly dog care. It delivers information on the potential dangers of conventional pet food, grooming products, and accessories and then offers shopping tips and 25 home projects for all-natural alternatives. Rosemary Conditioner replaces chemical-laden flea collars while a Felted Dog Blanket recycles sweaters long past their prime. With cheerful photos of doggies enjoying organic treats, Eco Dog is a clear reminder that a healthy dog is a happy dog.
