装帧:Hardcover

isbn:9780205593507

This highly readable text guides students step-by-step through the process of curriculum development, providing a solid foundation of key models and concepts and issues pertaining to curriculum today. *Developing the Curriculum, Seventh Edition*, full of references to classic and contemporary curriculum works, provides students with a synthesis of historic and contemporary principles and practices associated with

creating an effective curriculum. In addition, the author introduces a model that combines curriculum and instruction and carefully explores issues and challenges at each stage.
