出版时间:May 5, 2008

装帧:Hardcover

isbn:9780470191385

Does Bill Gattess retirement consign Microsoft to the corporate retirement home as well? Mary Jo Foley doesnt think so. Her 25 years of Microsoft-watching provides a unique vantage point from which to speculate on how Microsoft might write its next chapter. Identifying signposts and interpreting clues she knows well, Foley offers a thought-provoking view of the software giants post-Gates future. Dont be surprised to be surprised.
