Featuring a single author and a single, comprehensive theme, Give Me Liberty! presents American history with unparalleled clarity and coherence. The study tools in

the book and the companion print and electronic package ensure student success in the course. The Second Edition builds on the success of the first, retaining the unifying theme of freedom while becoming more comprehensive, and adding stronger coverage of Native American and immigration history. In addition, the pedagogy has been strengthened with new Voices of Freedom paired primary sources in each chapter, chapter-opening chronologies, key terms, and more. Overall the presentation remains concise and crisp, free of the encyclopedic detail that clogs so many other survey textbooks.

作为历史读物还是挺好读的。

Foner是historian里面的主流代表人物，对于US civil war, reconstruction, 林肯等等都非常有研究 好想去米国见他啊~~~
