Once asked to name the ten best female singers, the renowned musical producer Billy Rose replied, "There is Jane Froman and nine others." A legend in her time, Jane Froman (1907-1980) was one of Missouri's greatest success stories. Her singing career, which spanned over three decades, included radio and television, recordings, nightclub performances, Broadway shows, and Hollywood movies. Drawing upon an autobiography that Froman started but never finished, Ilene Stone skillfully uses the singer's own words, along with other resource materials and extensive interviews with people who knew Froman, to produce the first biography of this extraordinary woman.
