Breezy Malone has left her cautious archaeologist's life behind, only to be poured into a leather corset and demand that bad guys ask--no, beg--for mercy in her new gig as a covert agent for the FBI. A covert sex agent, to be exact. Not that she's given much choice. The FBI is dangling the ultimate carrot--if she can use her seduction skills to trace an ancient, stolen artifact, it'll lead her to Sharif, the terrorist who framed her for a murder that landed her in a Middle East prison. Now she's prepared to break any rule to make sure Sharif pays. But a mysterious and alluring agent called One-Eyed Jack is on her tail, and Breezy's not sure if he's friend, foe or something even more dangerous...a sensual distraction aimed at throwing her off her guard. She'll show him who's in control....
