holidays in hell, ISBN: 9780330491921, 作者:

作者介绍:

In *Holidays in Hell* America's funniest writer takes on the role of tour guide with hilarious results. In this darkly satirical take on the travel writing genre, O'Rourke reports from trouble spots around the world; 'A Ramble through Lebanon' and 'Christmas in El Salvador' may sound unpromising, but when subjected to O'Rourke's blackly comic treatment they become gloriously entertaining inversions of the standard travelogue. The perfect antidote to political correctness, *Holidays in Hell* is

also a clear-eyed look at humanity, or man's lack of it, around the world.
