From the Publisher

From the Sourcebooks Publishing House page: "A portrait of a passionate, deeply committed love as it would realistically unfold during the Regency era of English history. Darcy and Lizzy are on a quest of colossal magnitude: life and marriage. "Two Shall Become One ~ Mr. and Mrs. Fitzwilliam Darcy" is a novel, a romance, a Regency historical, a family saga, a literary journey filled with humor, joy, and exquisite but tempered sensuality, focusing on the obstacles inherent in all.

The novel begins on their wedding day and flows seamlessly through the first days into weeks as they bond through the intimacy of consummation and co-manage the ordinary and extraordinary events that transpire. Experience their honeymoon, Lizzy's nervousness as she assumes the role of Mistress of Pemberley, memories of how their relationship blossomed during the engagement, Christmas with numerous guests, a Twelfth Night Masque, day to day life in a 19th century estate, and their first trauma. Interwoven amongst all these events is passion of incredible proportions and a consuming love."
