Product Description

Marine biologist Cassie Boulton likes her coffee with cream and her literature with happy endings. Her favorite book is *Pride and Prejudice*, but Cassie has no patience when a modern-day Mr. Darcy appears in her lab. Silent and aloof, Calder Westing III doesn't seem to offer anything but a famous family name.

But there is more to Calder than meets the eye, and he can't get enough of Cassie Boulton. Especially after one passionate night by the sea. But Cassie keeps her distance. Frustrated by Cassie's evasions, Calder tells her about his feelings the only way she'll let him-by rewriting her favorite book, with the two of them in the roles of Mr. Darcy and Elizabeth Bennet. But it's up to Cassie to supply the ending ...

What readers are saying:

"Darcy and Elizabeth move to the 21st century."

"Ms. Reynolds is a master."

"Delightful reading."

"A hot couple!"
