"Men Speak Out" is a collection of essays written by and about pro-feminist men. In the essays, which feature original, lively and accessible prose, anti-sexist men make sense of their gendered experiences in today's culture. The authors tackle the issues of feminism, growing up male, recognizing masculine privilege, taking action to change the imbalance of power and privilege and the constraints that men experience in confronting sexism. They describe their successes and challenges in bucking patriarchal systems in a culture that can be unsupportive of - or downright hostile to - a pro-feminist perspective. In these chapters, a diverse group of men reflect on growing up, share moments in their day-to-day lives, and pose serious questions about being a pro-feminist male living, working, thinking, and learning in a sexist society.
