Hot on the heels of the runaway success of "Porn for Women", this followup delivers full-colour photographs of hunky dads doing what new mothers really want them to - getting up for 3 a.m. feedings, skipping golf to bond with the wee one, stocking the freezer with homemade baby food, changing every single nappy, complimenting mum's all-sweatpants wardrobe. It's all here. Page after page of these shots will make every mother swoon.
