'Such a strange book! Imagine a novel with a little swarthy governess for heroine, and a middle-aged ruffian for hero.' Sharpe's London Magazine (June 1855) Jane Eyre is an orphan grown up under the harsh regime first of her aunt and then as a pupil at Lowood Institution. She leaves to become a governess to the daughter of the mysterious Mr Rochester; gradually their relationship deepens, but Jane's passionate nature has yet to endure its deepest blows. In this new edition Sally Shuttleworth explores the power of a narrative that questions the rights of women, the nature of servitude and madness, martyrdom and rebellion in a story whose emotional charge is a strong today as it was more than 150 years ago. **ABOUT THE SERIES:** For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.

My favorite line: Jane, Jane, where are you?

---

平等是远比自由更难的事。每一段或经济或知识或情感的关系里，都存在着权力的形式，最好也不过心甘情愿而已。而人往往是如此地不彻底，绝望了，亦难死心，“as if I were waiting some impossible change in circumstances, which might reunite me to him”。非常爱St. John Rivers和Rosamond Oliver的情结，心底裁落成单独的短篇，止于“let the time I marked pass in peace”，又叠“she turned twice to gaze after him as she tripped fairy-like down the field”，红玫瑰一双眼，却还没看见诀别。

---

更像一个童话，结局有某种逃避现实的意味。
