著者:Paul Smitz

出版者:Lonely Planet

出版时间:2007-3

装帧:Paperback

isbn:9781740590990

How's the craic? No worries! Chavtastic! Lonely Planet's Language & Culture series introduces English as spoken in different parts of the world by showing the culture and humour behind common (and not so common) expressions and providing pointers on how to avoid common misunderstandings.

Included in Australian is an Aboriginal section and a guide to Australian humour.
