'He was atrocious in his brutality, but his lechery was kept hidden...In the end, he erupted into an orgy of crime and ignominy alike' Such is Tacitus' obituary of Tiberius, and he is no less caustic in his opinion of the weak and cuckolded Claudius and the 'artist' Nero. The Annals is a gripping account of the Roman emperors who followed Augustus, the founder of the imperial system, and of the murders, sycophancy, plotting, and oppression that marked this period in Rome. Tacitus provides the earliest and most detailed account of Boudicca's rebellion in Britain, and his history also relates the great fire of Rome in the reign of Nero, and the persecution of the Christians that followed. He deplores the depravity of the emperors, whose behaviour he sees as proof of the corrupting force of absolute power. J. C. Yardley's translation is vivid and accurate, and Anthony A. Barrett's introduction and notes provide invaluable historical and cultural context. ### 作者介绍:

Here is a lively new translation of Cornelius Tacitus' timeless history of three of Rome's most memorable emperors. Tacitus, who condemns the depravity of these rulers, which he saw as proof of the corrupting force of absolute power, writes caustically of the brutal and lecherous Tiberius, the weak and cuckolded Claudius, and "the artist" Nero. In particular, his gripping account of the bloody reigns of Tiberius and Nero brims with plots, murder, poisoning, suicide, uprisings, death, and destruction. The Annals also provides a vivid account of the violent suppression of the revolt led by Boudicca in Britain, the great fire of Rome under Nero, and the subsequent bloody persecution of the Christians. J. C. Yardley's translation is vivid without sacrificing accuracy, and is based on the recent Latin Heubner text, with variations noted in an appendix. Anthony A. Barrett's introduction and notes provide invaluable historical and cultural context. This superb edition also includes maps, a glossary of Roman terms and place names, and a full index of names and places.
