著者:Sigmund Freud

出版者:Oxford Paperbacks

出版时间:2008-08-14

装帧:Paperback

isbn:9780199537587

This groundbreaking new translation of *The Interpretation of Dreams* is the first to be based on the original text published in November 1899. It restores Freud's original argument, unmodified by revisions he made following the book's critical reception which included, under the influence of his associate Wilhelm Stekel, the theory of dream symbolism. Reading the first edition reveals Freud's original emphasis on the use of words in dreams and on the difficulty of deciphering them and Joyce Crick captures with far greater immediacy and accuracy than previous translations by Strachey's Freud's emphasis and terminology. An accessible introduction by Ritchie Robertson summarizes and comments on Freud's argument and relates it to his early work. Close annotation explains Freud's many autobiographical, literary and historical allusions and makes this the first edition to present Freud's early work in its full intellectual and cultural context. **ABOUT THE SERIES:** For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.

评论

多年后重读这本书，发现它不再是黄书，而是涉及了人类学自列维施特劳斯以来的很多问题。象征人类学的根基，社会科学的红楼梦阿。

书评

Just read the introduction by Joyce Crick and have no plan to read the whole book. According to J.C., nowadays anyone who studies psychology at university may never be required to read anything by Freud or his followers. But anyone who studies literature wi...
