出版时间:2008-06-12

装帧:Paperback

isbn:9780199540297

Written by an eccentric Anglican curate, Melmoth the Wanderer (1820) brought the terrors of the Gothic novel to a new fever pitch of intensity. Its tormented villain seeks a victim to release from his fatal pact with the devil, and Maturin's bizarre narrative structure whirls the reader from rural Ireland to an idyllic Indian island, from a London madhouse to the dungeons of the Spanish inquisition. **ABOUT THE SERIES:** For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.
