The inspiration of James's *Washington Square* (1881) was an anecdote told him by Fanny Kemble about a jilted heiress. The only child of a rich New York physician, shy, unattractive Catherine Sloper falls an easy victim to the attentions of a good-looking fortune-hunter. The clever domineering father whom she adores attempts to blight Catherine's feelings for her suitor, only to succeed in blighting her affection for him. Meanwhile, her meddling aunt, intent on stirring the fires of romance, threatens to turn Catherine's tragic experience into farce.

评论

第一次读Henry James;  
简单的故事，但却写得非常非常的insightful。最后一章尤其精彩。个人认为小说的一大亮点在于女主角心理的逐渐成长——很少见到如此不着痕迹又到位的描写。|2018年三八妇女节前夕购于伦敦查令十字街Foyles
