出版者:Oxford Paperbacks

出版时间:2008-10-15

装帧:Paperback

isbn:9780199553914

This volume unites, for the first time, Books IV and V of Mill's great treatise on political economy with his fragmentary chapters on socialism. It shows him applying his classical economic theory to policy questions of abiding concern, particularly the desirability of sustained growth of national wealth and population versus a stationary state, the merits of capitalism versus socialism, and the expedient scope of government intervention in the competitive market economy. His answers to those questions have considerable relevance today, and they serve to illustrate the enduring power and imagination of his distinctive liberal utilitarian philosophy. In his introduction, Jonathan Riley clarifies Mill's approach, considers what constitutes the Millian Utopia, and shows how examination of such an ideal society provides valuable insights into the structure of his philosophy. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.

书评

【按语：在《政治经济学原理》（1848）这部巨著中，密尔整合了斯密、马尔萨斯和李嘉图等的经济思想。密尔区别并论述了生产和分配（后者更是一种人类制度，服从于人类的意志处置），比较了私有制和公有制，并以自由之名文雅地反对了共产主义乌托邦，因为他以为经验上只需严肃考...
