Brian Molko, today frontman of Placebo, with a penchant for makeup and little black dresses, struggles in order to forge his way into the limelight. With a past filled with near-death experiences, incomprehensions, violent bullying, and rebellions, he moves to London in order to escape the noir oppression that Luxembourg offered. On his journey to fame he encounters obsessive lovers, drag queens, long-lost idols, and sinister stalkers. But an unexpected twist of fate alters it all. His experiences enthrall, intrigue, and at times frighten the reader, as his ambiguous and occasionally heart-breaking realm unravels, depicting how he unveils his naked ambition and fierce wit in order to succeed. This collection of anecdotes chronicles Brianas jittery journey

from a hated childhood to the thriving rock scene, where he becomes the undisputed star of the upcoming century.

这不是莫宝的传记，这是小说~这个作者有一本叫做《Lipstick Traces》的，那个更抽。我每次看这个作者的书都想边笑边拿书抽小样儿~

感觉不太真实吧，，，据说作者很多东西都夸张了，，，我看看也是

纯娱乐.没什么意义.

冲着B姐硬看下去--

“我觉得我是个同志。” Stefan害羞地表白。
“是吗？ 没事。我是双性恋。” Brian自豪地说道。

Brian啊Brian

真实性有多少？

其实用处不是特别大，而且也没亲自采访，有些地方可信不可信
