Now you're in the know

A cutting-edge selection of the artists that matter the most

Tracking the trends of art in the world today, bringing you illustrations and information about all the most important artists

"The definitive guide to modern art." - ARENA, London

Want a head start on the things you'll be seeing in art institutions a decade down the road? It's all in here, the very latest of the very best—and so fresh you can feel its pulse. A to Z magazine-style entries include captivating images of important recent work, short biographies, exhibition history and bibliographical information. The illustrated appendix features names and contact information for the galleries representing the artists featured, as well as primary market prices and examples of auction results. Think of this tome as a global go-round of the world's most influential galleries: a truly invaluable, invigorating, and intense experience.
