Overworked and underappreciated, single mom Amy Byler needs a break. So when the guilt-ridden husband who abandoned her shows up and offers to take care of their kids for the summer, she accepts his offer and escapes rural Pennsylvania for New York City.

Usually grounded and mild-mannered, Amy finally lets her hair down in the city that never sleeps. She discovers a life filled with culture, sophistication, and—with a little encouragement from her friends—a few blind dates. When one man, in particular, makes quick work of Amy's heart, she risks losing herself completely in the unexpected escape, and as the summer comes to an end, Amy realizes too late that she must make an impossible decision: stay in this exciting new chapter of her life, or return to the life she left behind.

But before she can choose, a crisis forces the two worlds together, and Amy must stare down a future where she could lose both sides of herself, and every dream she's ever nurtured, in the beat of a heart.

中年妇女找到自我的故事，还不错吧，各种搞笑元素也有煽情元素，有小孩的妈妈估计会比较有共鸣。巧合的是人名和地名都是我们这里。
